Web Announcement 2660

**Attention Provider Types 19 (Nursing Facility) and 65 (Hospice, Long Term Care):**

**State Fiscal Year 2022 Quarter 2 Rate Updates Implemented**

Update to [Web Announcement 2603](#): On December 16, 2021, the State Fiscal Year (SFY) 2022 quarter 2 rate updates were implemented in the Medicaid Management Information System (MMIS) for free-standing nursing facilities for standard bed day services. The impacted provider types are 19 (Nursing Facility) and 65 (Hospice, Long Term Care). The updated rates are effective on claims with dates of service on or after October 1, 2021.

Any claims submitted by PTs 19 or 65 with dates of service on or after October 1, 2021, through December 16, 2021, that processed on or before December 16, 2021, and paid the previous rates will be reprocessed automatically to adjudicate with the SFY 22 quarter 2 rates. A future web announcement and remittance advice message will report the results of the reprocessed claims.

Please note: When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
